Annual Activity Report of Amani Africa 2023

HIGHLIGHTS OF THE YEAR

2023 has been a year that registered substantial expansion in Amani Africa's work. We have continued to enhance our work involving the production of knowledge and analysis and the provision of timely information on matters AU and its PSC.

In 2023, we have been able to expand not only the range of issues our work covers but also our products and their impact. We have introduced new products such as the Amani Africa resources hub, Ideas Indaba and Amani Africa Dispatch. We also upscaled the range of partnerships and engagements with state, intergovernmental and non-state stakeholders including those beyond the continent.
