

# CRITICAL APPRAISAL OF THE AGENDA OF SILENCING THE GUNS IN AFRICA

Automatic Heading TextDate | December, 2020

## INTRODUCTION

Silencing the Guns is one of the flagship projects of Africa's development blue print of Agenda 2063 of the African Union (AU). It provides the overarching objective guiding the efforts of the organization towards achieving a peaceful and secure Africa which is the foundation for the implementation the development and regional integration plans of the continent.
