PEACE AND SECURITY COUNCIL
565TH MEETING

ADDIS ABABA, ETHIOPIA
17 DECEMBER 2015

PSC/PR/COMM.(DLXV)

COMMUNIQUÉ

COMMUNIQUÉ

The Peace and Security Council of the African Union (AU), at its 565th meeting held on 17 December 2015, adopted the following decision on the situation in Burundi:

Council,

1. **Takes note** of the briefing by the Commission on the evolution of the situation in Burundi. Council **also takes note** of the statements made by the representative of Burundi, as well as by those of the East African Standby Force (EASF), Uganda, as the Mediator designated by the East African Community (EAC), and Nigeria;
2. **Reaffirms** its previous pronouncements on the situation in Burundi, including communiqués PSC/PR/COMM.(DLI) and PSC/PR/COMM.(DLVII) adopted at its 551st and 557th meetings, held on 17 October and 13 November 2015, respectively, as well as the AU's commitment to the scrupulous respect of the letter and spirit of the August 2000 Arusha Peace and Reconciliation Agreement, which constitutes the cornerstone of peace, security and stability in Burundi and of which the AU and members of the region are Guarantors, along with other members of the international community;
3. **Reiterates the AU's deep concern** over the current political stalemate in Burundi, as well as over the increasing insecurity and violence in the country and the attendant serious humanitarian consequences, including internal displacement of populations and refugee flows towards neighboring countries;
4. **Reaffirms the AU's strong condemnation** of all acts of violence, committed by whomsoever, and the persistence of impunity, as well as of the inflammatory statements made by Burundian political leaders. Council **strongly condemns** the attacks carried out recently against military barracks in Bujumbura and in Bujumbura Rural and **reiterates** its total rejection of the use of violence in the pursuit of political objectives. Council **further strongly condemns** the killings perpetrated in the aftermath of the attacks on the military barracks, and **stresses** that the authors and sponsors of the attacks and the reprisals shall be held accountable. Council **demands** that all parties immediately end all attacks, violations of human rights and other abuses;
5. **Notes** the preliminary findings of the fact-finding mission dispatched to Burundi by the African Commission on Human and Peoples' Rights (ACHPR), pursuant to paragraph 11 (iii) of communiqué PSC/PR/COMM.(DLVII), which noted violations of human rights and other ongoing abuses, including arbitrary killings and targeted assassinations, arbitrary arrests and detentions, acts of torture, suspension and arbitrary closure of some civil society organizations and media, and **looks forward** to the submission of the report of the fact-finding mission;
6. **Reiterates** the AU's determination to ensure that the perpetrators of acts of violence and atrocities, as well as all those aggravating the situation through inflammatory statements, are held accountable;

7. **Stresses once again** that only a genuine and truly inclusive dialogue, based on the respect of the Arusha Agreement and the Constitution of Burundi, will allow the Burundian stakeholders to overcome the serious difficulties facing their country, as well as strengthen social cohesion, democracy and the rule of law. Council **renews its appreciation** to President Yoweri Museveni of Uganda, the Mediator appointed by the EAC, for his ongoing efforts towards the imminent commencement of the inter-Burundian dialogue. Council **reaffirms** the centrality of the regional process, as the only one that would make possible the conduct of inclusive talks bringing together all Burundian stakeholders;

8. **Welcomes** the measures taken by the Commission as part of the implementation of its relevant communiqués on the situation in Burundi, including the generation of additional human rights observers and military experts, to bring their strength to 100, in conformity with paragraph 9 (ii) of communiqué PSC/PR/COMM.(DLXV), the support provided to the mediation led by Uganda and the mobilization of the international community to facilitate a coordinated action in support of the search for a peaceful solution to the current crisis. Council **notes with satisfaction** the dispatching by the ACHPR of a fact-finding mission to Burundi;

9. **Further welcomes** the growing mobilization of the international community towards the search for a peaceful solution to the crisis facing Burundi and the support provided to the African-led efforts, including the adoption by the United Nations (UN) Security Council, on 12 November 2015, of resolution 2248 (2015), in which the Council welcomed communiqué PSC/PR/COMM.(DLI) and the proposed next steps adopted on that occasion, looking forward to their full implementation, and noted the decision of the AU to impose targeted sanctions, including travel bans and asset freezes, against all the Burundian stakeholders whose actions and statements contribute to the perpetuation of violence and impede the search for a solution;

10. **Notes** that, in spite of all the efforts made to date, the situation in Burundi continues to deteriorate and that there is a real risk of the situation degenerating into widespread violence, with catastrophic consequences for Burundi and the entire region. Council **underlines** that it shall not allow such a development to happen;

11. **Reaffirms**, in this context, its determination to fully assume its responsibilities, having in mind the relevant provisions of the Protocol Relating to the Establishment of the Peace and Security Council, in particular those relating to early response to contain crisis situations so as to prevent them from developing into full-blown conflict (article 4-b), respect for the rule of law, fundamental human rights and freedoms, the sanctity of human life and international humanitarian law (article 4-c), the anticipation and prevention of policies that may lead to crimes against humanity (article 7-1a); and the mandate of the African Standby Force (ASF), including preventive deployment in order to prevent a dispute or a conflict from escalating, an ongoing violent conflict from spreading to neighboring areas and States, and the resurgence of violence after parties to a conflict have reached an agreement (article 13-3d);

12. **Recalls** that, in the Statement of Commitment to Peace and Security in Africa [PSC/AHG/ST.(X)], issued at the Solemn Launching of the Peace and Security Council, on 25 May 2004, in Addis Ababa, the Heads of State and Government of the Member States of the Peace and Security Council undertook to ensure that Africa shall, at all times, move first in a timely manner to address conflicts on the continent and expressed their determination not to shrink from decisive

actions to overcome the challenges confronting the continent, stressing that, henceforth, there shall be no conflict on the continent that will be considered to be out of bounds for the AU and that where grave abuses of human rights and crimes against humanity occur, Council must be the first to condemn and to take swift action, consistent with the letter and spirit of the AU Constitutive Act and other relevant instruments to which the Member States have subscribed;

13. **Decides**, in the light of the foregoing, to take the following measures:
