in conformity with the Authority decisions.

13. **On Guinea, the Authority welcomes** the recent decision of the transition Authorities to allow former President Alpha Conde to return home free. The Authority was informed by the transition Authorities that the National Transition Council will be in place by end December 2021 and will propose a timetable. The Authority remains very concerned that three (3) months after the Coup d'Etat, a timetable for the return of constitutional order is yet to be issued. It urges the authorities of the National Transition Council to submit rapidly the timetable for the election to be held within the timeframe indicated. The Authority insists on the need to hold elections within the six (6) months period previously decided on. The Authority decides to maintain the sanctions initially imposed.
14. The Authority reiterate its will, to accompany the Guinean authorities for a successful transition.
