Reaffirming the important role of women and youth in the prevention, management and resolution of conflicts, as well as in peacebuilding and electoral processes and stressing the importance of their full, equal, effective, meaningful and safe participation in all efforts for the maintenance of and promotion of peace and security in the DRC,

Expressing great concern over the humanitarian situation that has left an estimated 27 million Congolese in need of humanitarian assistance, and the growing number of internally displaced persons in the DRC, with 5.7 million estimated to have been displaced to date, and the 523,000 refugees in the DRC, as well as the more than 1 million refugees from the DRC in Africa as a result of ongoing hostilities, *encouraging* member States to commit to a more equitable sharing of the burden and responsibility for hosting and supporting refugees in the DRC in line with the Comprehensive Refugee Response Framework, *further calling upon* the DRC and all States in the region to work towards a peaceful environment conducive to the realisation of durable solutions for refugees and internally displaced persons, including their voluntary, safe and dignified return and reintegration in the DRC, with the support of the United Nations Country Team (UNCT), and *stressing* that any such solution should be in line with relevant obligations under international refugee law, international humanitarian law and international human rights law,

Recalling the UN guiding principles of humanitarian emergency assistance,

environmental damage and *acknowledging* the United Nations Framework Convention on Climate Change and the Paris Agreement,

Reiterating the necessity for MONUSCO to fully implement its mandate in accordance with relevant Security Council resolutions, using all means at its disposal to effectively address the threat posed by armed groups and other security threats, in the context of increased armed conflict in the DRC,

Reiterating its call on all parties to cooperate fully with MONUSCO and to remain committed to the full and objective implementation of the Mission's mandate, *further reiterating* the importance of continued compliance with the Status of Forces Agreement, and its condemnation of any and all attacks against peacekeepers, which may constitute war crimes, and *emphasising* that those responsible for such attacks must be held accountable,
